

TOKAI PONY CLUB ARENA RULES

Membership

Only paid-up members may use the arenas.

Membership is on an annual basis from 1 April to 31 March. However, members may pay in four quarterly instalments on 1 January, 1 April, 1 July and 1 October. Members wishing to join at any other time should make their first quarterly payment and include payment per month for months prior to the start of the quarter or pay the annual membership for the remaining months of that year.

Anyone permitting unauthorised access of other riders will have their membership suspended.

Anyone who, in the view of the Pony Club Arena committee, uses the facilities in a way that is reckless or detrimental to the safety and wellbeing of their horse or pony, or to other members, may have their membership suspended.

Cruelty to horses will not be tolerated and will result in the suspension of membership.

No dogs are allowed in the arena area.

Members of the arena must be members of the Pony Club or Tokai District Riding Association.

Membership numbers will be limited and thereafter there will be a waiting list.

Use of the arenas

Members have unlimited use of the arenas. They are requested to ride considerately and share the space. The jumping arena should be booked via the Tokai Arena WhatsApp Group, which all members are linked to.

Schooling of horse can be done outside of booked jumping lessons.

The facility is in a residential area. Members are requested not to make excessive noise and to respect the rights of neighbours to a peaceful environment.

Parking

Members must use the gate in Dennendal Road to park their horseboxes and preferably cars inside the facility. They are requested not to park their cars in front of the gate or on the red line.

Rallies and clinics

From time to time the Pony Club, or others on request, may hold rallies, clinics or events.

Management

The Committee of the Tokai Pony Club Arenas is the management body for the arenas. Contact details of committee members and areas of responsibility will be published on the Facebook site.

Queries and issues of concerns should be raised with the relevant committee members.
